

# Fiery Nights

**Choreographed by:** Mikael Mölsä (14.12.2008 at 18:00)

**Description:** 32 counts, 4 wall line dance

**Music:** *Fiery Nights* by Ronan Hardiman (CD: *Michael Flatley's Lord Of The Dance*)

**Level:** Intermediate

**Starting point:** At about 0:19, when the trumpet plays again.

## **ROCK STEP, STEP TOGETHER, ROCK STEP, ½ LEFT TURNING PIVOT, ½ LEFT TURNING PIVOT WITH A HOOK, CROSS SHUFFLE**

1-2 Rock right foot forward, recover weight back to left foot

& 3-4 Step right next to left, rock left foot forward, recover weight back to right foot

& 5-6 Step left next to right, step right forward, turn ½ to left (now facing 6:00)

&7&8 Hook right across left, step right across left, step left to side, step right across left

## **SIDE ROCK STEP, STEP TOGETHER, SIDE ROCK STEP, A WEAVE TURNING A FULL TURN TO RIGHT, STEP FORWARD**

1-2 Step left to side, recover weight back to right foot

& 3-4 Step left next to right, step right to side, recover weight back to left foot

5& Step right behind left and turn ¼ to right, step left to side

6& Step right over left and turn ¼ to right, step left to side

7& Step right behind left and turn ¼ to right, step left to side

8 Step right forward and turn ¼ to right (thus completing the full turn to right)

**Option:** If it is too much to handle, you can replace the 5-8 section (weave) with regular, non-turning syncopated sailor steps (with the additional right step forward on count 8). So it would go as:

5&6 Step right behind left, step left next to right, step right to diagonal

&7& Step left behind right, step right next to left, step left to diagonal

8 Step right forward

## **WIZARD OF OZ'S, ¼ RIGHT TURNING PIVOT WITH A HOOK, CROSS SHUFFLE**

1-2& Step left to left diagonal, lock right behind left, step left to left diagonal

3-4& Step right to right diagonal, lock left behind right, step right to right diagonal

5-6& Step left forward, turn ¼ to right, hook left foot in front of right (now facing 9:00)

7&8 Step left across right, step right to side, step left across right

## **STEPS FORWARD, WEAVE TRAVELLING BACKWARDS**

1-2 Step right to right diagonal, slide left next to right

3-4 Step left to left diagonal, STEP right next to left (weight ends up on right)

5& Step left over right, step right back

6& Step left back, step right over left

7&8 Step left back, step right back, step left over right

**Note:** On count 8 don't step left over right too tightly because you'll be starting the dance again with the right foot.

**REPEAT**
