

Love And Marriage

Choreographed by: Mikael Mölsä & Hanna Pitkänen (28.4.2024 at 20:23)

Description: 32 counts, 4 wall line dance

Music: Love And Marriage by Frank Sinatra (Album: *Ultimate Sinatra*)

Level: Improver

Starting point: At the vocals, at about 0:13.

Note: There is a restart after count 24 on wall 5.

Ending: You dance the dance normally until the last wall (wall 9, facing 12:00). On that wall, dance the first 12 steps normally, then add one more step-scuff (count 13-14) and do the modified half-break for a finish on count 15.

STEP ACROSS, SIDE, SAILOR STEP, STEP ACROSS, SIDE, KICK BALL CROSS

1-2 Step right across left, step left to left side

3&4 Step right behind left, step left next to right, step right to right diagonal

5-6 Step right across left, step left to left side

7&8 Kick left forward, step left next to right, step right across left

STEP, SCUFF, STEP, SCUFF, ¼ RIGHT TURNING PIVOT, CROSS SHUFFLE

1-2 Step left forward, scuff with your right foot

3-4 Step right forward, scuff with your left foot

5-6 Step left forward, turn ¼ to right (now facing 3:00)

7&8 Step left across right, step right to right side, step left across right

BIG STEP TO THE RIGHT, SLIDE TOGETHER, SAILOR STEP, STEP, SWEEP, STEP, SWEEP

1-2 Take a big step to the right, slide left towards right

3&4 Step left behind right, step right next to left, step left to left diagonal

5-6 Step right forward, sweep left from back to front

7-8 Step left forward, sweep right from back to front

Note: On walls 1 & 5, you can replace the big step and slide (1-2) with a modified half break and hold to suit the music style. See the video for more info on the modified half break if needed. ☺

Restart: There is a restart here on wall 5.

½ LEFT TURNING PIVOT WITH HOLDS, ½ TO LEFT WITH HOLD, SAILOR STEP

1-2 Step right forward, hold

3-4 Turn ½ to left, hold (now facing 9:00)

5-6 Turn ½ to left while stepping right back, hold (now facing 3:00)

7&8 Step left behind right, step right next to left, step left to left diagonal

Note: There is an easier option if you don't want to turn. You can replace the turn with a rock step forward with holds and a step back with a hold followed by a sailor step. So the steps would be:

1-2 Rock right forward, hold

3-4 Recover weight back to left, hold
5-6 Step right back, hold
7&8 Step left behind right, step right next to left, step left to left diagonal

REPEAT
