

Little Moments

Choreographed by: Mikael Mölsä (25.1.2025 at 17:52)

Description: 48 counts, 4 wall line dance

Music: **Little Moments** by Gamma Skies ft. Christine Smit (Album: *Cowgirls Don't Cry*)

Level: High Improver

Starting point: At about 0:10.

Restart: On wall 5 you have a restart after count 36. You need to make some modifications to the steps to be able to restart easily. Replace counts 35&36 (turning shuffle) with a 1/2 right turning step (count 35) and a step forward (count 36), then begin the dance from the top (facing 9:00).

Ending: The dance ends after wall 6. On that wall, replace the 1/2 right turning unwind with a full turning unwind to end facing the front wall. You can replace the full unwind with a right coaster step if full unwind is too hard for you. After the unwind, you have a few counts left to strike an end pose. Or you can slow down the unwind so that it lasts longer. Or you can open your hands to the side after the unwind. Do whatever you feel is appropriate!
